

## **SUMMERFEST 2011**

What an exciting event! We are thrilled with the turnout. The following schedule is of approximate start times. Once you have lost a match, you are welcome to play in the "BACK" category on the open courts. This is a single elimination tournament. Conflicts arise as do sprained ankles, missing partners and parades therefore, please be patient with fellow athletes and organizers. We are doing our best.

All start times after the first time of the day are approximate due to the end time of the match ahead and the required 30 minute rest period between matches.
