

Michigan 50 Companies to Watch Congratulations to the 2012 Winners!

As part of the **Michigan Celebrates Small Business** celebration to recognize the state's powerful small enterprises, the **Michigan 50 Companies to Watch** winners are second-stage businesses selected for their impressive growth in jobs and revenue as well as strength in leadership, corporate culture, community support and philanthropy, innovations in management or technology, and other factors that contribute to an outstanding organization. These 50 companies represent a range of industries from across Michigan. Between 2008 and 2011, these companies collectively added 735 jobs and generated \$1.3 billion in revenue. They are to be celebrated as companies that represent Michigan's vibrant entrepreneurial culture.
