

Financial REALITY Fair

brought to you by
America's Credit Unions

JANUARY 15TH, 2018 REALITY FAIR @ HHS

HHS Class of 2020

With assistance from the Michigan Credit Union League, TCU is holding its first Reality Fair. These fun and fast-paced interactive sessions make a lasting impact on the financial understanding of teen participants. This active financial learning experience simulates one month of independent adult living where high school students make hard choices to obtain the goods and services they need and struggle to balance their budgets with the assistance of credit union services. We would love for you to join us!
